

# COMPANY PROFILE

# ABOUT US

## Welcome to Specialized Triple for Facility Preparation

a leading Jordanian company specialized in supplying **building materials, safety equipment, electrical tools, and agricultural supplies**, along with a wide range of products and services that support various sectors across the country.

We provide **high-quality products and professional services** for commercial, industrial, and construction projects, as well as public facilities and humanitarian initiatives.

Our scope of work includes:

**Building materials, public safety equipment, agricultural tools, paints, electrical supplies, office materials, food items, maintenance services, iron products, professional measuring devices, and chemical materials.**

We proudly serve clients throughout Jordan by offering **comprehensive, reliable, and cost-effective solutions** tailored to meet the needs of companies, institutions, and humanitarian organizations.

Our goal is to be **your trusted partner in building, equipping, and maintaining your facilities** with the highest standards of quality and excellence — true to our motto:

“Simplifying Your Business

# OUR MISSION

At **Specialized Triple for Facility Preparation**, we strive to **simplify supply and logistics operations** for all our clients across Jordan and beyond — ensuring that every order is executed **with precision, on time, and to the highest verified standards of quality**.

Our mission focuses on maintaining the right balance between **competitive pricing, trusted sourcing, and tailored solutions** designed to meet each client's specific needs. This approach enables organizations to **reduce costs, save time, and gain the flexibility needed for success**.

As a **trusted partner**, we make the process of **supplying and preparing facilities easier, smarter, and more efficient**, fully aligned

# OUR VISION

To be **the leading company in Jordan and the region** in providing **comprehensive facility preparation, supply, and integrated service solutions**, built on **quality, efficiency, and innovation**.

We aspire to become **the first choice and trusted partner** for companies, factories, and organizations seeking **reliable supply solutions backed by warranty and after-supply maintenance services**, ensuring long-term performance and product reliability.

We believe that our success is measured by **our clients' satisfaction and trust**, and we remain committed to delivering excellence, credibility, and lasting value in every project we undertake

# OUR CORE VALUES

At Specialized Triple for Facility Preparation, our success is built upon a strong foundation of core values that guide everything we do:

- **Reliability** – We act with honesty and transparency, fulfilling every commitment to our clients and partners.
- **Quality** – We ensure our products and services meet the highest international quality standards.
- **Commitment** – We deliver projects and supplies on time and in full compliance with agreed terms.
- **Speed & Efficiency** – We focus on providing fast, efficient services that simplify our clients' operations.
- **Customer Service** – We place customer satisfaction at the heart of our priorities, offering full support before, during, and after delivery.
- **Continuous Improvement** – We believe in innovation and constant development to enhance performance and stay ahead of market needs.
- **Safety & Responsibility** – We adhere to the highest safety and environmental standards, promoting sustainable and responsible business practices

## TARGET MARKETS

Specialized Triple for Facility Preparation aims to strengthen its presence in local and regional markets by offering high-quality products and reliable services tailored to the needs of diverse sectors.

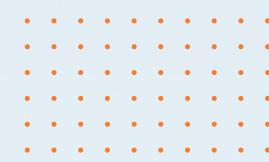

We focus on establishing long-term partnerships across the following areas:

1. **International and Humanitarian Organizations** – including UN agencies, NGOs, and charitable institutions involved in development and relief projects.
2. **Industrial Sector** – factories and production facilities requiring maintenance supplies, safety equipment, and industrial tools.
3. **Construction and Contracting Sector** – companies and contractors engaged in public and private infrastructure projects.
4. **Government and Public Sector** – ministries, municipalities, and public institutions requiring various supplies and materials.
5. **Military and Security Sector** – supplying military and security institutions with specialized equipment, uniforms, and high-standard safety materials.
6. **Commercial and Service Sector** – companies, hotels, hospitals, and service facilities relying on continuous supply operations.
7. **Education Sector** – universities, schools, and institutes requiring office supplies, educational tools, and electrical or safety equipment.
8. **Agricultural Sector** – farms and agribusinesses needing modern agricultural tools and supplies.
9. **Regional and International Markets** – through export operations and supply expansion across the Middle East and North Africa.

Our goal is to be the preferred and most trusted partner for clients seeking quality, commitment, and integrated supply solutions all from one reliable source
